ARLINGTON HEIGHTS HERALD

VOLUME 11, NUMBER 32 | ENTERED AS SECOND CLASS MATTER AT ARLINGTON HEIGHTS, ILLINOIS | ARLINGTON HEIGHTS, ILL. FRIDAY, JULY 2, 1937 | Published Every Friday by H. C. PADDOCK SONS | $2 A YEAR

Purchase Pump, Fire Truck Next

The Arlington Heights village board in special session Monday evening purchased the American Well Works pump at $1,300 as opposed to other pumps that varied in cost from $1,450 to $2,000. An exhaustive investigation of the various pumps was made prior to the purchase. The members were advised a week ago by Engineer Consoer that all of the pumps upon which bids had been received were excellent. Accompanying his report was a statement of the cost of upkeep and operation of the several makes over a probable fifteen year period.

The board took the stand that the initial saving of up to $700 was more important than the yearly upkeep, in which there was little difference between all of the makes.

Advertise for New Pumper

With the decision of the board and with the advice of the chief of the fire department plans to purchase a purely hook and ladder truck, has been abandoned and in place of same, bids will be asked for the purchase of a combination pumper and hook and ladder truck. At a special meeting in session as this paper goes to press the advertisement of bids for the new outfit were authorized.

The appropriation ordinance passed last week authorized an expenditure of $8,000 for the new fire truck. It is planned to pay for same over a three year period.

Palatine Man Is Found Unconscious

Albert Dahms, Lies Several Days After Stroke, Before Discovery.

When Mrs. Geo. Zelsdorf, 217 N. Brockway, Palatine, for several days saw nothing of Albert Dahms, her landlord neighbor, she prevailed upon [illegible] husband to investigate. Mr. Zelsdorf failing to arouse anyone at the Dahms home Friday evening, attempted again Saturday evening, when through an open door he saw the form of a man lying upon the floor. Calling the police an investigation was made and the partially unconscious form of Mr. Dahms was discovered in a position which led the searchers to believe that he had laid in that position several days.

He was taken to the Sherman hospital, Elgin, where he passed away Monday evening. The funeral was held Thursday afternoon at the Danielsen funeral home, Rev. Voecks officiating.

Deceased was born in Palatine in 1872 and has resided there all of his life. He leaves two brothers, August of Wauconda and Will of Elgin. Mrs. Isaac Blume of Palatine, is a cousin.

Stork Makes Ninth Stop At Arlington Hts.

While Mr. and Mrs. Walter Storms have not officially laid claim to the title of Arlington Heights largest family, the Stork is doing his best to give them that honor and Friday, June 25, made his ninth stop at that abode. The latest is Mildred Ethel, weighing 5½ pounds.

Childhood Resident Of Arlington Heights Dies In Iowa

Mr. Frank Kreft and Herbert Hammerl of Arlington Heights attended the funeral Wednesday of Mrs. E. Sigwalt, 71, of Storm Lake, Iowa, who passed away Sunday. Deceased was a sister of Frank and Theo. Kreft and spent her childhood in Arlington Heights.

Subscription List Now Complete

With complaints corrected the publishers are in hopes that the mailing list for the Arlington Heights Herald is now authentic and that all subscribers will receive the paper on time through the postoffice.

Attention is called to the fact that the mail subscription price to people who reside in Arlington Heights is only $1.00 a year or 50c for six months.

We do not desire, nor can we afford to send the paper to any person upon any other basis and we therefore ask that if any person receiving said paper does not desire to be a regular subscriber, he phone 15 or hand the paper back to the mailman.

Arlington Opens

Arlington Park opened its "Golden 30 days" Monday with all of the usual features even not omitting the annual cloudburst which swept in on time just before the inaugural handicap and which was accompanied by hail and a high wind.

The rain left the track a sea of slop and as Fraidycat bounded down the stretch to victory in the days feature, it reminded the old timers of another such day years ago when Indian Runner came bouncing through the slop to victory.

The opening day crowd was all that could be expected, grandstand, enclosure and Post & Paddock club having their share of patrons.

The mutuel handle of around $240,000 for the eight race card, should have been pleasing to the management.

The racing was plenty exciting and the "lightening eye" worked to perfection in deciding close finishes, the numbers being up on the board before the jockeys had weighed in. The machine is the fastest in the country on completing a photo and it separates them by whiskers, it seems.

With the grand opening out of the way, the racing settles down for a long run of interesting features. The big feature on Saturday afternoon will be the "Matron" handicap and the Monday attraction will be the famous old Stars and Stripes handicap, which will engage the best handicap horses in this part of the country.

Huge crowds are expected at Arlington over the holiday weekend and a fine racing program has been scheduled for their enjoyment.

The huge plant looks finer than ever with its blooming rose hedges, its fine lawns, shade trees, lakes and lagoons.

Everything is in grand shape at Arlington and from indications during the early days, it looks as if the "Golden 30 days" would be true in more than one respect, it will be a golden meeting for both horsemen and Jockey Club, if present indications are any criterion.

New Children Signs To Be In Place Soon

Through the cooperation of various departments of the village, new attractive signs will soon be erected bearing this inscription:

"As Friend to Friend
We Love Our
CHILDREN
Please Drive Carefully."

The signs will be placed at the entrance to the village on State road, Northwest Highway and Euclid street.

Methodists To Meet At Des Plaines Camp Ground

The seventy-eighth annual summer assembly and camp meeting of the Rock River Conference of the Methodist Episcopal church is opening at the Des Plaines camp grounds Sunday, July 11, with Bishop Waldorf as speaker at the afternoon session.

School Boy Bandits Are Trapped

Magnetic Needle Used To Locate Buried Treasure

Four Palatine school boys, two of whom are in the eighth grade and two in high school are in trouble which started when they stole coal from the Tibbits-Cameron Palatine yard in order to heat the clubhouse which they had established upon the Dean property east of that town. They found it so easy to appropriate articles that did not belong to them, they expanded their operations to include household goods from unoccupied residences, robes from parked autos, tools from sheds and barns and a collection of pipes, one of the latter bringing them to justice.

The last hideout used by the boys was the home of Fred Fiene, west of Hillside cemetery. Mr. Fiene had been working several weeks upon neighboring farms and was a very much surprised man when he returned home and discovered the collection of goods that had been "moved in upon him" while he was absent. Mr. Fiene notified the local police and the loot was moved to a vault in the municipal building.

Saturday morning, Mr. Fiene was approached by a young lad who asked him if a pipe that had been left at his house was still there. Fiene instructed the boy to prove property before local police if he wanted his property.

A few hours later, Officer Folz, apprized of the inquiry, arrested the boy who implicated his companions and it was not long before a confession was obtained. The father of two of the boys who have been motherless many years, reported his trouble to Miss Bell of the juvenile court and the boys were held in cells awaiting court orders.

Among the homes visited were the Folleth residence on Chicago avenue and the C. H. Patten house. A rug from the latter had been taken to a railroad culvert which the boys used as a rendezvous until the storm flooded the quarters.

Among the stolen goods was the Knight Templar sword of the late C. H. Patten. The boys were afraid to keep it about and buried it in the Dean field. When they were unable to point out to police officers Monday the exact spot of such burial, the police used the magnetic needle owned by the water department and "two shovels" later revealed the sword and accoutrements.

Red Wings Set For Fast Chicago Team, Sunday

The Arlington Red Wings are challenging a fast Chicago outfit, the "Mayfair Merchants" this Sunday. The Merchants have made an enviable record in Chicago baseball for several years and the Arlington lads are in for a real battle.

With "Strikeout" Schaefer, the former Davenport Star, in the pitching box, the Chicago nine have a surprise on hand. The Arlington ball club has been winning consistently lately, and the fans are guaranteed a real game. The game will be called at 3 p. m.

New Police Force And New Uniforms

With three additional members to the regular police force at Arlington Heights, the force now numbers five, which is not such a bad showing to make at roll call, especially when they are all dressed up in the new uniforms that were ordered this week.

Today is the first time that the additional men have been on duty and temporarily there will only be two new men on the force. The third new member will be on the job a week later.

Firemen's Two Days Picnic

The Arlington Heights firemen will be busy boys over the Fourth. There will be no sirens sounding and the attraction is bigger than any mere fire. They are expecting the general public to join them at Meyer's Park Sunday and Monday, July 4 and 5. A big celebration is in store for the laddies who have protected Arlington Heights so long and they are inviting every one to join with them in having a big time.

All the fun that one can arrange at a picnic will be turned out for the good times that only the firemen can give. Games, refreshments, dancing, and prizes will be there to add to the merry making. Dixie Hayshakers will whoop up the music.

A door prize will be offered about 11 p. m. Monday. The firemen, as generous as ever, are giving away choice of a $50 radio, a mangler, a vacuum cleaner, or a washing machine.

All the firemen join in promising everyone a rollicking good time with their committee in charge, Oswald Meyer, George Volz, Richard Jahn, William Luehring, Floyd Dobbins, and Fred Tesch.

To Rush Work On New Swimming Pool At Arlington Heights

With the arrival this week of 700 barrels of cement, there will be no delay in the completion of the swimming pool project. With the receipt of the above material practically all of the material to be furnished by the government is on the job.

The first section of the cement bowl will be laid this week as well as the first floor of the field house, the walls of which have been constructed for some time. Seventy-eight men are employed upon the project at the present time.

Depositors Buy Bank Building

Final adjudication and disposal of the Des Plaines State Bank property was made recently in the circuit court of Judge Feinberg. The sale was made for $50,000 less unpaid taxes and assessments.

The building was purchased on behalf of the Des Plaines State Bank Building Corporation. Ownership of stock in the new company is limited to depositors of the bank. No plans for the new holdings have been developed as yet, but the main room on the ground floor is expected to be rented, preferably as a realty office. The sale will mean a substantial saving to the depositors who were connected with the defunct bank, and was made possible by the stockholders committee.

Arlington Heights Business District Closed Monday

The majority of the stores of Arlington Heights will be closed Monday, July 5. The day is a national holiday and the merchants realize that it is a day for celebration. The Arlington Heights post office will be closed all that day also.

No Fireworks At Arlington

It is against village ordinance to sell, possess or discharge fireworks of any kind within the village of Arlington Heights. The police department will make every effort to enforce the regulations covering same, but must ask the cooperation of parents.

Two often parents allow their children to endanger their lives with what are apparently harmless firecrackers. Many children are killed every year by fireworks in some form and failure of parents to heed warnings.

Emerald Cleaners In New Home

The Emerald Cleaners and Dyers is only two years old, but has experienced a rather unusual growth and this week has moved into its own home on North State road, adjoining the Chevrolet agency.

Richard Wilke, the proprietor ever since starting his business has never been merely contented with giving the "Usual Cleaning Service." He wanted to establish a reputation for operating the most complete and finest cleaning establishment northwest of Chicago.

He has about succeeded. He reached his aims some time ago so far as satisfaction to customers is concerned. With the purchase of his own home and improvements therein, he will be in a still greater position to offer a still better service to the general public.

To fully meet the requirements of the state law, all of the extensive cleaning equipment is housed in a new structure 18x24, built by Mr. Wilke for that purpose. The other building is needed for the handling of orders, etc.

The installation of latest machinery for the automatic cleaning of naptha the past year, was only one of the improvements he has made. There are others on the way. Sending your cleaning to a local man in whom you can place confidence, reliability and workmanship of the cleaner, is good insurance for your wearing apparel.

Clear Water In Stonegate

First Attempt To Flush Dirt From Water Mains Reveals Startling Condition.

When certain Arlington Heights village officials and employees made their first attempt last Friday evening to drive the dirt and rust out of the Scarsdale water mains, they met two unexpected surprises. The first was the discharge, through the hydrant of stones, pieces of cement and other debree, some the size of a man's fist. The second surprise was the clogging of a steamer water hydrant by one of such stones, which resulted in the emptying of almost the entire water system of the village. It was just a happy thought of an alderman that such a plan was tried out and it was an accident that withdrew all fire protection for a time.

However, the result was a great success in the estimation of the village water department and the residents of Scarsdale. A second attempt to further clean out Scarsdale mains was made Tuesday night and will be repeated in other parts of town from which complaints have been received. In the meantime Scarsdale housewives are jubilant.

The presence of bottles, tin cans and rocks in a water main seems unexplainable and was no doubt due to faulty inspection at time said mains were laid. When the hydrant was first opened, there was a reserve of over 200,000 gallons. John Firnbach, engineer in charge of the pumping station, was not in close touch with the men at the hydrant and it was not until pressure had dropped from 47 to almost zero before the blocked hydrant could be shut off and water pressure could be obtained.

Fire Chief Geo. K. Volz and other officials were present Tuesday evening when another section of Scarsdale was opened up. Safeguards were taken that prevented an excessive amount of water being taken from the mains.

Lord Punishes Choir For Leaving Purses

Was it a miracle that caused the pocketbooks of several of the choir members of the Presbyterian church of Arlington Heights to disappear, Sunday?

That is what happened anyway. When the choir returned to the choir chamber after communion, those who left their purses in the dressing room were dismayed to find them gone. The purses contained small change, "pennies for the collection box."

THEY COME; THEY GO

NEW RESIDENTS IN ARLINGTON HEIGHTS

Carl Klopp, of Chicago, has moved into 400 So. Walnut, which he purchased.

Guy Prince is a new resident at 108 Dwyer avenue.

Claud M. Butler is a new resident at 304 N. Dunton.

E. C. McCann is residing at 312 N. Dwyer.

LEAVE CITY OF GOOD NEIGHBORS

Albert Long has moved to Denver, Colorado.

Mrs. James Jerousek, of 1304 N. Dunton, has moved to Chicago.

Thomas O. Cooper has rented his home on East Eucild and has moved to Columbus, Ohio.

MOVE TO OTHER HOMES

Richard Wilke has moved to 506 S. Highland.

J. F. Watt has moved from 204 Evergreen to 1115 N. Dunton.

The Guy Baxter family are changing their address from 112 E. Euclid to 204 E. Euclid.

WHERE TO PAY YOUR TAXES

Elk Grove Township

Mt. Prospect State Bank during regular banking hours from July 6th to July 20th, except Thursday, July 15th at Itasca State Bank.

A. J. Kraemer, Collector.

Wheeling Township

Arlington Heights National Bank, 8:30 to 12; 1 to 3; Saturday evenings 6 to 8, from July 6th to July 20th, except as follows: Wheeling State Bank, July 8 and 16; Mt. Prospect State Bank, July 15th.

William Annen, Collector

Palatine Township

First National Bank Building from July 6th to July 20th between the hours 9 to 12, 1 to 5 and Saturday evenings 7 to 9.

Thomas C. Hart, Collector.

Efforts to make payment to the local collector will be appreciated by the local taxing bodies.

The tax collectors have made every effort to keep the books as long as possible. The above date is final. Please attempt to make payment before that date.

Find "For Sale" Sign On Own Dogs

Mr. Fred Wilke, Wilke road and Northwest highway, Arlington Heights, was surprised to lose two of his four 5-weeks-old collies from his yard Saturday. He was more than surprised to find both of them tagged "For Sale" Sunday along the highway near his home. Four men, two colored and two white, were trying out their salesmen tactics by waving to passing motorists in an attempt to get a few dollars for the stolen dogs. With the aid of the police, the four "salesmen" were brought into Arlington Heights and questioned.

"We just found them along the highway," was their story. They are employed at Arlington Park and were released.

Start Tax Collections Tuesday

Tax collections will start next Tuesday in the Northwest townships.

The country town collectors are receiving their books daily and are hard at work getting out the tax bills which will be in the mail this week. Collections will start in Palatine, Wheeling, Elk Grove, Maine and Barrington townships right after the July 4 holiday.

The tax dead line in these townships will be July 20, so tax payers who possibly can should make arrangements to pay their home town collector before that date.

The tax rates were announced last week and the bills will be received the last of this week by the taxpayers. Announcement of the office hours of the various collectors appear elsewhere in this issue.

Fourth of July Accidents

"A situation in which children are killed by the score and injured by the thousands in the act of celebrating the fact that this country is a free and independent democracy calls for immediate correction and cure." So declared a great statesman at a recent conference on Fireworks Accidents held in New York.

The toll of human lives each Fourth of July from the use of fireworks and toy firearms is appalling. For instance, in New York City, where there is a law prohibiting the sale of fireworks within the city limits, the hospitals in 1934 reported 2,600 casualities from fireworks—1,500 more than the previous year. New York is no worse in this respect than other cities throughout the country. It is a mistaken notion that we have or ever have had a sane and safe Fourth of July in America.

Let us ask ourselves a few questions which should visualize better than in any other way the Fourth of July situation:

Have you ever seen a child with one eye closed for life?

Have you ever seen a little girl in a lacy holiday dress catch afire?

Have you ever heard the cry of a child afire?

Have you ever smelled the odor of burning human flesh?

Have you ever played with a child on your knee in the morning, and seen him dead in the evening?

This is the sort of thing we are talking about when we talk about Fourth of July accidents.

The Safety League urges that commemoration of Independence Day take the form of pageantry, athletic events, and other forms of recreation to eliminate children's desire for the excitement of fire works, firearms and bonfires.

Parents can do much to safeguard the lives of their children. First and foremost, they themselves can observe the rules which make for personal safety, and thus set a good example for children to follow.

Parents must give time and energy to teaching their children how to avoid accidents. Safety is a teachable subject—The responsibility rests with the parents.

Failure To Graduate Brings On Hysterics

Miss Stella Wasman, 15, 2142 Ashbury avenue, Evanston, was found on a doorstep at Milwaukee avenue near Sanders, crying hysterically during a storm last week. After removal to the Cook county police station and administration of an ammonia inhalent, the girl could only say that she was "afraid of the storm."

Questioning her aunt who lives at the same address, the police were told that the girl had left home for a hike that day and had been in a nervous condition because of her failure to graduate from school.

Caddy Strike Halts Golf Games At Glenview Course

Two hundred caddies at the North Shore Country Club, Glenview, sat down and refused to carry clubs last Saturday morning. They demanded $1. 25 a round and assurred Huntsman, caddymaster, that "they would see that no one else caddied on that course."

Expecting a large number of guests in the afternoon, Huntsman called the sheriff's highway police. The deputies remonstrated with the boys and they finally agreed to caddy for the rest of the day with the promise that a committee of the club would meet and discuss their demands. "The new rate will probably be accepted," Huntsman said.

Car Tags Two Others On Palatine Road

Joseph J. Rausch, 617 N. Central avenue, Chicago, was struck by the automobile of George Stancin, 1504 Fullerton, Chicago, while driving north on Elmhurst road Sunday. Stancin failed to obey the stop sign as he was driving east on Palatine road.

Stancin veered and collided with the automobile of Nicholas Popp, 2236 N. Racine, Chicago. The collision forced Stancin's car into the ditch.

Mrs. Catherine Rausch was taken to the Mt. Prospect hospital for treatment.

Samuel Costellof of RR2, Bensenville, collided with Frank Jones, 5909 W. 25th St., Cicero, last Saturday, on the corner of River road and Higgins road. Jones was driving north on River road, and Costellof was travelling southeast on Higgins. No one was injured.

Piano Recital By Pupils of Miss Hausam

A delightful recital was given before a large appreciative audience by the pupils of Miss Celia Hausam last Wednesday evening in the Methodist hall.

Both teacher and pupils are to be congratulated on the capable and efficient manner in which each number was given.

WPA Workers Can Accept Farm Jobs And Not Lose Status

To meet an anticipated demand for farm labor throughout Illinois, State WPA Administrator Charles E. Miner today ruled that workers now on WPA projects who accept farm jobs, even though the work is of short duration, will be reassigned immediately upon the termination of their private work.

Administrator Miner said the authority for his ruling was granted in a recent order from Federal Administrator Harry L. Hopkins, which said that WPA workers who accept private jobs and lose the jobs through no fault of their own will be reassigned to WPA providing they are eligible.

He said that there has been a reluctance on the part of WPA workers in rural areas to accept farm work, knowing that the duration of such work is indefinite, but it is his opinion that the "Prompt reassignment ruling" will give WPA workers that confidence which will allow them to seek farm work of their own volition. The fact that a worker may have a series of short time private jobs before requesting reassignment will not jeopardize his right to security wage employment when he needs it, the administrator added.

Under instructions from Administrator Miner, Earl W. Clark, state director of employment, advised district WPA offices to cooperate fully with the employment offices in clearing the release of project workers to farm jobs and to prepare to reassign such workers when they are again in need of WPA employment.

Sheriff's Highway Police Shut Handbooks

The Sheriff's highway police closed two more handbooks last week. The 3500 Club, 3500 South Church street, Niles Center, was inspected and Joe Thames, 7748 N. Clark street, Chicago, James Strong, 7728 N. Ashland, and Frank Baker, 1718 Jarvis avenue, were arrested as keeper and inmates of a gaming house.

A handbook at Waukegan and Lake streets, was closed when John Hardy of Morton Grove, and Fred Smith and Alex Olsen of Northfield were arrested for operating one.

Hitchhiking Horse Stops Two Cars

Alfred Oehlerking, Mt. Prospect, struck the horse of Herman Guenther, RR 1, Arlington Heights, Monday, while driving east on Golf road. Following Oehlerking, Evert Lang, 1416 Farrell avenue, Chicago, also ran into the animal causing some damage to his car. The horse had evidently broke loose from the barn and started hitchhiking.

'Bank Nights' Are Ended In Du Page

Compliance with orders issued by States Attorney Russell W. Keeney, last week, to all DuPage county motion picture houses operating "Bank Nights" has been general, the states attorney said Wednesday. Permission was given theatres to distribute what money they had in the fund created for "Bank Night," and which had not been distributed. The states attorney took the position that it were better for some individual to have the money than to have it revert to the theatre.

The order ending the "Bank Nights" in the county was predicated upon a recent decision of the Supreme court which held such "Bank Nights" illegal. Noncompliance with the order will be followed with prosecution. Mr. Keeney has been assured that his orders, conveyed to the theatres in a letter, will be complied with.

ARTHUR L. McELHOSE,
Village Clerk.

Macaroni in China First

Macaroni and spaghetti, usually believed to be completely Italian were really invented by the Chinese. German merchants introduced those products into Europe and they were instantly adopted in Italy. The secret of their manufacture was kept in Italy more than a hundred years.

LITTLE JACK HORNER

LITTLE JACK HORNER SAYS:
One of the rules I go by is: Drink plenty of pure, pasteurized milk. Pasteurization of milk is insurance that your food is free from harmful germs, while still retaining its nutrition. Why not get your eggs and butter at the Suburban Dairy, where you get your milk and be as sure of their freshness and purity as you are of the milk!

Sterling Quality Ice Cream Shop To Celebrate Anniversary

The Sterling Quality Ice Cream Shop is one year old this week and is celebrating the event with special offerings upon Saturday, Sunday and Monday. An adv. in this issue tells you about it.

Business Men Plan Better Association; Membership Increases

The newly organized Business Men's Association of Arlington Heights, at their monthly meeting last Thursday evening, reported a membership of 74 members. Wilbur Hartmann, chairman of the membership drive, has not been able to contact all of the merchants but, roughly, 75% have been approached and have accepted.

With the heighth of the summer season nearing, the business men realize that as a body there can be little action until fall. But already the spirit engendered within the ranks of the business men, has fostered well being and friendly feelings toward each other.

"If it can accomplish nothing else," C. L. Griffith, president of the local association, said in an interview, "the organization is worth its inception if it brings the business men and women into closer association with each other, so that they may become acquainted and more cooperative. Then it can do constructive things for the community and the business and professional men and women."

The organization has paved the way for cooperation among the barbers, the beauty operators, the hardware stores, the gift shops, and others who are closing their shops on Thursday afternoons.

The membership role is kept in order and only those paid-up members will receive a membership card, a copy of the constitution and by-laws, and a membership "sticker," that entitles him to the patronage and respect of the community.

In the meeting last Thursday, the members discussed a social dinner to take place some time after Labor Day. Its purpose is to bring together the business men in a social way where they can appreciate each other as a friend rather than a competitor.

The organization is also contemplating a "Buy at Home Week" for next fall.

Recognizing that July is a poor month to call the group together, the members decided to skip the July monthly meeting, but will meet again in August. The board of directors, however, will get together some time this month in order to keep in touch with the affairs of the business men.

The association for business and professional men and women have selected the following officers: C. L. Griffith, president; Henry Mueller, vice president; C. M. Behrens, secretary; and Walter Krause, treasurer. The board of directors includes the officers and four others, Geo. Schneberger, Nicholas Lattof, Ted Studtmann, and Wilbur Hartmann.

Death Takes No Holiday!

The Fourth of July will be celebrated on Monday and, therefore, the highways will be crowded with automobiles and people. Thousands upon thousands of cars will wind their way to various spots for picnics, visits with relatives, outings and other forms of amusement.

At the end of the celebration, hundreds and hundreds of people will be dead because of failure to comply with safe practices.

Avoid congestion—control your speed—put your car in perfect mechanical condition—and above all—drive carefully.

It's smart to be careful—death takes no holiday.

Facts About Compass

The angle between the true north and the magnetic north is called the "magnetic variation," and has to be allowed for in navigation. Thus, when the song says "True as the compass to the star," it is talking nonsense because, although the star is fixed, the compass is not. Nevertheless, its variations are well known, so that the compass remains the seaman's most valuable possession.

Dr. Carl D. Starck Joins Father In Practice

Dr. Carl D. Starck, son of Dr. Carl A. Starck for 33 years a prominent Palatine physician and surgeon, will join his father in the practice of medicine shortly after the first of July.

Carl, Jr., will also assist in surgery and obstetrics and with emergency cases at the Community hospital, at Palatine.

Carl D. Starck is a product of Palatine, who has decided that the old home town is a good place to live and start his life's work. He is a graduate of the Palatine grade school and Palatine township high school.

After completing his school work in Palatine, he took a course in a Chicago Business College, following which he started his medical course.

He completed his pre-medical work at the University of Illinois and graduated with honors from the Chicago College of Medicine. During the last year Carl, Jr., has been serving his internship at the South Chicago Community hospital where he has had a very valuable experience.

He has passed the Illinois State Board examination and is licensed to practice.

Carl completes his work as an interne this week and will join his father at once.

With the association of his son in the practice with him, a life long dream and ambition of Dr. C. A. Starck is realized.

Himself a home town boy, and a graduate of the old Palatine high school, Dr. Starck started practice in his home town, and for 33 years has maintained a highly successful and remunerative practice.

It has always been his ambition that Carl, Jr., should follow in his footsteps and with the association of father and son in a joint practice this week, that ambition is realized.

Carl, Jr., will no doubt meet with success in his new field. He is a popular, likeable young man of quiet disposition and as the fame of his "dad" is a household word in this section of the country, the new member of the firm will receive a warm welcome from the community.

Both "Dad" and "The Boy" are happy at this association together which brings to a fullfillment the dream of a life time.

Walther League Elects Officers and Adjourns For Summer

The Immanuel Junior Walther League of Palatine, held its annual election and appointments of committees.

The new officers for the year are as follows: President, Lorraine Stoeckel; vice president, Minnie Gieseke; treasurer, Robert Berndt; secretary, Leona Gaare; executive board, Eloise Tody, Donald Kiehl, and Ellen Freise.

Committees appointed by the executive board are as follows: Chairman of Christian Service, Lucille Berndt; chairman of Christian Knowledge, Mr. George Beyer; membership committee, Marion Kiehl and Irma Wessel; entertainment chairman, Fred Kuester.

The regular meetings of the league are discontinued during the months of July and August.

The Junior League wishes to extend a rising vote of thanks to the out-going members and officers, who did their work so favorably, and also to Rev. Poellot.

Above all we thank Mr. Zimdahl for the splendid work he did for us, and many thanks to Mr. Larson.

We also take this opportunity to greet Mr. Beyer, who will take Mr. Zimdahl's position as Junior Counselor and hope he will find it pleasant working with us, and also greetings to all new members who joined our league so enthusiastically.

Slam for Louis Philippe

One history reports that Louis Philippe, afterward king of France, visited Coshocton, Ohio, in the character of a schoolmaster during his exile in the second decade of the last century. His stay was said to have been shortened after his aristocratic notions clashed with the frontier democracy.

Crosby, Burns, Raye In 'Waikiki Wedding'

Bing Crosby, Bob Burns and Martha Raye, the trio who made "Rhythm on the Range" one of last year's outstanding comedies with music, are together again in "Waikiki Wedding," a gay comedy of love and music under tropic skies which opens on Sunday and Monday at the Arlington Theatre.

Beautiful Shirley Ross, who was with Bob and Martha in "The Big Broadcast of 1937," carries the feminine romantic lead of the new comedy. The cast also includes George Barbier, Leif Erikson, Miri Rei, the Tahitan dancer who was the sensation of the Ziegfeld Follies recently; Kuulei and Nalani De Clerq, native Hawaiian dancing team, and over two hundred native dancers, musicians and other performers.

"Kaikiki Wedding" is the story of a press agent, played by Crosby whose job it is to keep Miss Ross thrilled with the glamour of Hawaii. He does a thorough job of it, falling in love with her in the process and it is when he is forced to extricate himself from an entirely synthetic Hawaii that he had created that some of the comedy high spots are reached.

Bob Burns and Martha Raye also have a romance very much like the one they had in "Rhythm on the Range," and Miss Raye sings a number of "swing" solos in the manner which has lifted her from obscurity to fame in less than eight months. The music is by Robin and Rainger, the team which provided the music for "The Big Broadcast of 1937," "College Holiday," "Champagne Waltz" and other recent outstanding musical hits.

The barbaric "drum dance," once practiced by the Polynesians before making a human sacrifice, is performed by Miss Rei in "Waikiki Wedding." It is the first time the famous dance has been recorded by the motion picture camera. The story also contains a native Hawaiian wedding ceremony, performed just as it is in the South Seas. "Waikiki Wedding" was directed by Frank Tuttle who directed "College Holiday."

Mr. and Mrs. E. Weinrich Celebrate 25th Wedding Anniversary

Saturday, June 26, 1937, marked a happy day for Mr. and Mrs. Ernst Weinrich, as they had completed 25 years of married life.

To the strains of Costa's Triumphal march from Naaman, the bridal couple and most of the former attendants, marched into the club rooms of the Ladies' Aid at St. Peter's Parish Hall, where an altar had been erected, beautifully banked with palms, ferns and peonies. Roses and delphinium helped to make the room more festive. After a short address by Pastor Noack, the celebrants renewed their marriage vow in a ceremony conducted by Pastor Fricke. A duet, rendered by Mr. and Mrs. Ed. Troyke, concluded the service. This was followed by a reception, attended by the immediate family of the couple and which culminated with a fine chicken dinner and all its trimmings, not forgetting the three tier wedding cake. Pastor O. Weinrich of Bensenville acted as toastmaster.

A varied, yet interesting program of informal talks, recitations, vocal numbers and community singing helped to make the evening a most enjoyable one. Cards and other table games brought the celebration to a successful close.

Of the sixty guests, which included the immediate relatives in Arlington Heights, the following were from out of town. Mr. Rud. Weinrich, his two sons, a daughter and two grandsons from Reed City, Mich.; Mr. and Mrs. Eb. Weinrich of Maywood, Ill.; Mr. Adolph Troyke, Roselle, Ill.; Mr. Alb. Troyke and family from Lombard; Mr. and Mrs. Alb. Troyke, River Forest; Mrs. Theo. Heine of Wheaton, Minn., and her daughters, Gertrude from Milwaukee and Victoria from Chicago, and Mr. and Mrs. Fred Troyke from Cincinnati, Ohio.

No Free Labor To Cut Thistles This Year, Says Commissioner

Louis Clark, thistle commissioner of Wheeling township, has issued a warning to all land owners that there is no free labor this year which can be utilized in the cutting of thistles and other weeds.

"The land owners themselves," states Mr. Clark, "know where their infected lands are located. I hope it will not be necessary to have constables armed with warrants to call upon them, but it is the only recourse this year where the owners or tenants ignore thistle infected areas upon their lands."

News from Springfield

Springfield, June 24—The usual last-minute jam in the general assembly fulfills all predictions, and promises long and hectic workings days on Monday, Tuesday and Wednesday of next week.

Many are predicting that the clocks will be stopped next Wednesday night in order that the hour of midnight may not force adjournment. Fire crackers are being purchased in anticipation of the closing hours and punishments of all kinds are being planned for too talkative members.

There is small consolation when the temperature in Springfield hovers around 100 degrees in looking at pipes which have been installed for an air cooling system in the house chambers and in the committee rooms when the machinery for sending cooling breezes over weary legislators is lacking.

Subjects of legislation brought up for consideration this morning (Thursday) represent a variety of interests, pawn brokers, nurses, school buses, trucks transporting automobiles, medical examination of workers in restaurants, annexation, appropriations, emasculation of criminals, and the licensing of detective agencies.

Practically all appropriation bills for departments of the state government have been passed. It is interesting to note that all appropriations for schools, common, normal, and university, only had their hearings in the house appropriation committee this week.

While every department received increased appropriations, the public welfare department alone receiving an increase of more than three million dollars for salaries and wages an effort was made by administration leaders to pare down the University of Illinois' request for funds to permit a 10 per cent restoration to salaries in the lower bracket groups.

Friends of the university in both parties won out in the appropriations committee.

The state school distributive fund was passed upon by the house appropriations committee as it was recommended by the senate for $17,200,000. The increase over $13,000,000 goes to the high schools as state aid. Heretofore only grades one to eight inclusive have received state aid.

The heaviest battle of the week was on house bill 286, which increased the benefits under the Workmen's Compensation act. This bill, unlike other compensation measures, had not been worked out between industry and labor and therefore lost a number of former supporters. Many opponents felt that industry was being overloaded in the present session by the passage of the eight-hour day for women and the unemployment insurance bill which is sure to pass.

G. B. VILAS RETIRES

Nearly 50 years with Chicago & North Western Ry.

Announcement is made of the retirement from active service effective July 1st of Mr. G. B. Vilas, vice president and general manager of the Chicago & North Western Railway.

In making the announcement Mr. Fred W. Sargent, President, states that Mr. Vilas' retirement, which comes on his own request, terminates almost fifty years of loyal

G. B. Vilas

and efficient service rewarded by continual promotions which culminated in his present important position on the railroad.

Mr. Vilas was born in Ogdensburg, New York, in 1868, and was educated at Phillips Exeter Academy, Exeter, New Hampshire. He entered the service of the C. cago & North Western in 1887 as station helper at Paullina, Ia., later moving to Eagle Grove, Ia. Subsequently he served as Agent at Kenosha, freight agent at Milwaukee; trainmaster, Milwaukee; assistant division superintendent at Baraboo; assistant and general superintendent, Chicago, being appointed general manager in 1924 and in 1934 assumed his present position as vice president and general manager.

Harry M. Eicholtz

Mr. Vilas is a member of the Masons, Shrine, Union League Club (Chicago), Milwaukee Club (Milwaukee) and resides at 425 Grove St., Evanston, Ill.

Mr. Harry M. Eicholtz, at present assistant general manager, will assume the duties of Acting General Manager of the Chicago & North Western Ry. on Mr. Vilas' retirement.

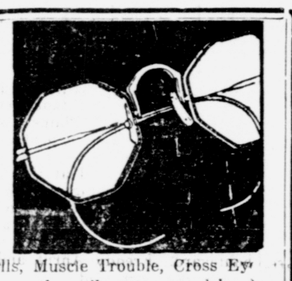

Mr. Eicholtz entered railroad service in August, 1890, at Nachusa, Illinois, and served as baggage man, telegraph operator, train dispatcher, trainmaster, and other important positions before becoming assistant general manager in January, 1925. His home address is 320 No. Austin Ave., Oak Park, Ill.

Charles H. Longman

Mr. Charles H. Longman succeeds Mr. Eicholtz as assistant general manager with offices at Chicago, Illinois.

Doris Crofoot Receives Degree At Whittier College, California

Miss Doris Crofoot, granddaughter of Mrs. M. H. Crofoot, of Arlington Heights, graduated from Whittier College, California, June 12. She was president of the Inter-Dorm. Council and the Woman's Glee Club.

Doris graduated from the Arlington Heights high school in 1933 and attended Eureka college, Illinois two years. After the death of her father the family moved to Orange, California.

Publisher Enjoying Two Weeks Vacation

Chas. S. Paddock publisher of the Paddock publications is spending two weeks in a cottage near Belding, Mich. Of course the rest of his family are with him. The office force at home found it harder to get him to consent to take a vacation than they find it to get the work out now that he is not on the job.

However, from cards received, it is certain that C. S. will take a vacation every year hereafter.

Mrs. Chas. Lynk, who was in the Northwestern hospital for treatment, is now home, and we are glad to hear she is feeling better.

VACATIONISTS BRING MONEY

but what brings vacationists?

a sure answer—

CONCRETE ROADS

No matter what they like when they get there, vacationists never enjoy "roughing it" on the way. Of two attractive vacation centers, tourists choose the one that's on their favorite kind of road—concrete.

Everybody profits—directly or indirectly—from tourist trade. And everybody profits directly from concrete.

Concrete highways are always ready for travel. They cost less than other pavements of equal load-strength. Save a big share of road maintenance funds. Save on car operating costs. Reap these benefits—pave with concrete.

PORTLAND CEMENT ASSOCIATION

33 W. Grand Ave., Chicago, Ill.

CONCRETE IS THE REAL LOW-COST ROAD

St. James Church Scene of Large Wedding

Miss Louise Hahnfeldt, daughter of Mr. and Mrs. August Hahnfeldt, Chicago, became the bride of Frank Incaprero, son of Mr. and Mrs. Paul Incaprero, 20 W. Campbell street, Arlington Heights, in a large, beautiful wedding Sunday noon, June 27, at the St. James church in Arlington Heights.

A bridal procession of twenty-four took part in the ceremony at which Father Stier officiated. The church in which hundreds of guests attended, was decorated in white carnations.

The bride was attired in a Queen Anne gown of white satin and carried a bouquet of cala lilies. Two page girls dressed in white satin military suits held the bridal veil of lace that extended eighteen feet. Mr. August Hahnfeldt, father of the bride, gave the bride away in matrimony.

Mrs. Joseph Maculso and Mrs. Joseph Dominik, cousins of the groom, were matrons of honor and were dressed in gowns of tea rose.

The eight bridesmaids wore gowns of Wally Simpson blue and carried sprays of talisman roses and larkspur. They were Misses Caroline Maggio, Evaline Hummel, Antoinette Gentile, Violet Marchese, May Steffen, Margaret Windheim, Irene Langhorst, and Viola Niemeyer.

Mike Scolaro, Chicago, acted as the best man. He and the bridegroom were dressed in tuxedo. Mr. Maculso and Mr. Dominik, in full dress, were ushers.

The groom's attendants were Tony Lukhaub, George Lubeke, Art Williard, Tony Scolaro, Donald Goedke, Eugene Hartman, and Ray Tegtmeier.

The ceremony at the church was enhanced by the choir singing "Ave Maria."

Six hundred guests attended the reception at Mirror Hall, Chicago, after the wedding ceremony. A wedding cake of immense proportions that boasted of sixteen layers and stood six feet in the air, was served by the bride who stood upon a box in order to cut it. Barbecues, drinks, ice cream, and imported Italian pastries were offered. Confetti and favors added to the fun. Sammy Guarniello and his orchestra, a radio and stage attraction, entertained. A grand march ended with a bride waltz. The bride and groom received many lovely gifts.

Another celebration was held at the home of the newlyweds in Arlington Heights, Monday evening. Those that took part in the ceremony and relatives attended.

The couple are planning a honeymoon to Texas.

Waters Claim Deaths; Dentist Drowns After Saving Boy, 8

A young dentist attached to the staff of the Chicago State hospital at Dunning, died a hero's death after saving the life of an eight-year-old boy, Sunday.

Dr. J. Donovan Bohr, 33 years old, perished after he had rescued B. O. Russel, Jr., 8 years old, 4106 Irving Park boulevard, Chicago, in Wauconda lake. It is believed that he became exhausted while rescuing the boy and after handing him over to other rescuers sank from sight. Although other swimmers made repeated dives in an effort to locate the body, it was not found until 45 minutes later. Dr. J. A. Ross of Wauconda made an unsuccessful attempt to revive the man.

Leo Caldrone, 37 years old, 3012 W. Jackson boulevard, Chicago, was drowned Sunday while swimming in the Fox River at Bay View beach, near the Cary Ski Jump, Fox River Grove. Crystal Lake firemen recovered the body shortly afterwards but efforts to revive Caldrone were futile.

Another week-end drowning occurred on the Des Plaines river. Russell McCurdy, 8 years old, of Chicago, died while swimming there.

University Campus On Stage of Blackstone

An unusual feature of "The Lonely Man," now at the Blackstone, is the ensemble acting of six young Chicagoans who represent the students in this dramatic fantasy with its panoramic background of modern university ilfe. The sextet, composed of Brent Wrenn, Edgar Tegner, Lester Podewell, Everett Marshall, Oliver Henning and Harold Rogers, malign their professors, "ride" each other, play baseball, engage in fist-fights, take part in riots with such wholehearted zeal and disarming naturalness that they fill in for the audience a complete picture of a college campus far beyond the confines of their "sets." Each performance brings an innovation from one of the group—an extra remark or prank under the Lyre Tree—and each time the originator of the new "piece of business" finds a ready reprisal from his fellow-students keeping their scenes fresh and thoroughly alive. Not only do these irrepressible youngsters establish the illusion of a university campus, but their high-tensioned scenes reflect in miniature the turbulence of our times. It is civil strife of a new kind which occasions this play's provocative premise of the return of Lincoln into the modern world.

For their exuberant spirits and their acting ability these young men have won acclaim in this Federal Theatre production. Both the author and producer of "The Lonely Man" have invited them to continue their "education" this fall on Broadway in the same roles they have created here.

The policy of the Blackstone Theatre during the engagement of "The Lonely Man" is performances nightly, Sundays excepted, and all matinees have been canceled during the summer season.

Northwestern Fortyniner New De Luxe Train To California

Inauguration of the "Forty Niner," fast all-Pullman train of streamline design, on the San Francisco-Chicago run has been set for July 8 from Chicago and July 11 from San Francisco, it was announced today. The new train, to be jointly operated by the Chicago & North Western, Union Pacific and Southern Pacific railroads, will make five round trips a month. Its schedule is to be staggered with that of the Streamliner "City of San Francisco" to provide deluxe extra-fare service every three days.

Consisting of eight cars, all air-conditioned, the "Forty Niner" has accommodations for 117 passengers. It will be powered by high speed steam locomotives. The running time between the terminals will be 49 hours eastbound and 50 hours and 42 minutes westbound, according to the announcement.

The "FortyNiner's" equipment is featured by a new type two-car articulated unit carried at the rear of the train. The head car of this unit is of duplex construction with seven bedrooms upstairs and nine downstairs. The beds, forming sofas by day, are crosswise rather than parallel with the sides of the cars. A commodious observation lounge section, buffet and rooms, all on the same level, are included in the rear car of the unit.

Another feature of the train is the full length dining car, equipped with round tables, including a lounge at one end. Table linen, glass and silverware have been especially designed for the train. The kitchen is in the adjoining car ahead of the diner.

Des Plaines Boy Weds Chicagoan At Bethel Church

Miss Mildred Senger, 5705 Henderson, Chicago, daughter of Mrs. Elizabeth Senger, became the bride of Ernie Benson, Des Plaines, son of Mr. and Mrs. Leonard Nelson, Elk Grove. The ceremony, a rainbow wedding, was performed at the Bethel church, Springfield and Hirsch, Chicago, Saturday evening, June 26.

The bride was given away by her brother, Rudolph Senger. She was attired in lace over satin and veil. The maid of honor, Miss Eleanor Nelson, sister of the groom, was dressed in muslin de soie. Bridesmaids were Misses Mildred, Eleanor, Marie, and Charlotte Keller, all cousins of the bride. The two flower girls were Miss Betty Linneman and Miss Joan Fitzpatrick.

Joe Knittle, Des Plaines, acted as best man. He and the bridegroom were in full dress.

A dinner was held at the Graemere Hotel, Washington and Homan, Chicago. The reception was attended by a hundred guests at the I. O. O. F. hall, 4219 Irving Park boulevard. Freddy Ahrnt and his orchestra entertained.

The newlyweds received many worthy gifts. They are residing at 714 Lee street, Des Plaines. Mr. Benson is employed as a news carrier for the Chicago Daily News. He is also the business manager of Mel Borchardt's orchestra.

Supervisor Grandt Refutes Gossip

It is not unusual for a public official to be subjugated to common gossip regarding the manner in which he conducts his office, but it is not often that the gossip takes the form of a letter.

Supervisor Chas. F. Grandt of Wheeling township has received such a letter and although it is unsigned, he feels that the subject discussed is so vital he is making an open reply in the hopes that others who might be interested, will first investigate the facts on relief cases before spreading false reports:

To whom it may concern:

This being the only way that I can reach the writer of a letter addressed to me and who signed himself "A Good Demorrat" I am making public the following facts.

It is unknown to me whether my relief clients are faithful Democrats or Republicans. They all receive treatment and service alike, if needed. Our cases are investigated and O. K.'d by our office in Chicago before anybody gets relief. The above family was only put on a supplemental relief because he is a patient of the Evanston hospital and only under doctor's instructions does he get suppiements such as he needs for his ailment.

Would you, Mr. Writer, like to get a salary of $55.00 per month, have a family to support, and be under the care of a doctor and have the ailment this man has? This patient does not have to play sick, he is sick. I have it black on white.

Nobody needs to be on a good side of me to get aid if he can prove his need. I was elected to this office of supervisor by good democrats and republicans and feel that I am well qualified and will do my best for anybody and everybody. My office is open for inspection any time during office hours. If you can prove, as you have written, I shall gladly show you the doctor's diagnosis of the above named party. If you have any other cases in your mind who are wrongly receiving aid, come to my office. Show your colors and bring your friends with you and let's get down to business. My motto is to be fair and honest with everybody, whether he is a Democrat or Republican, I do not play politics with relief.

C. F. Grandt.

June Climaxed With Two Weddings at St. Matthews Church

For the first time in its history, St. Matthews Lutheran church was the scene of two weddings on the same day. The first was the marriage of Miss Ella Koelper and Mr. Elmer Wolter at four o'clock; the second, that of Miss Lydia Elsner and Mr. Chester Wilke, at 5:30 p. m.

Miss Ella is the daughter of Mr. Gust Koelper, 6010 N. Melvina street, Chicago, and her handsome groom is the second son of Mr. and Mrs. John Wolter of Morton Grove. Stately palms and baskets of white carnations and small white flowers graced the church as Rev. Julius Toepel read the ceremony which made the young couple one for life.

Florence Domes, at the organ, delighted the guests with a brief organ recital while awaiting the arrival of the bridal party. As the radiant bride and her father came down the aisle, Mabel Warnke sang "Faithful and True," and at the conclusion of the ceremony rendered "Because."

Miss Ella looked as lovely as only she could, in a gown of shimmering white satin with a sweeping train. Her long, full veil of white illusion was held in place by a coronet-like halo and arranged with a blush veil. A shower bouquet of white roses and the same small white flowers used in the decorations, completed the charming picture.

Her attendants were all gowned alike in long flared gowns of white floral organdy. Belts of green velvet ribbon and green slippers added just the right note of color to make the entire ensemble one of cool, summery daintiness. Wreaths of white roses in their hair matched the bouquets the girls carried. The girls who composed this charming group, were the bride's sister, Rose, as maid of honor; her niece, Bernice Vehrs, as the sweet little junior bridesmaid, and Mabel Finnern and Ruth Wolgast, two more cousins as the lovely bridesmaids.

The groom and his attendants also presented a handsome group in their white flannels and dark coats. The smiling groom was attended by his brother, Leonard, as best man, with Ray Wolgast and George Geerdts serving in the roles of ushers.

A reception to one hundred fifty guests was held at the Homestead Inn, Waukegan road, immediately after the ceremony, where after the delicious supper the night was spent in dancing. A thoroughly enjoyable time was had by the crowd who were unanimous in voicing their congratulations and good wishes for the happy young couple. Mr. and Mrs. Wolter, both of whom are employed in Chicago, will make their home in an apartment on Melvina avenue.

Lydia Elsner and Chester Wilke United

The second wedding at St. Matthews church at 5:30 last Saturday was a quiet affair, yet beautiful in its simplicity. The bride, Miss Lydia Elsner, is the eldest daughter of Mr. and Mrs. Carl Elsner of Central road and the groom, Chester, is the oldest son of Mr. and Mrs. Ferdinand J. Wilke of Dempster street.

The ceremony was performed by Reverend J. Toepel with only the young couple and their attendants present. Lydia was a charming bride in a gown of aquamarine chiffon, and carried a bouquet of gardenias and baby's breath. She was attended by her sister, Evelyn, who wore a gown of pink mousseline de soie trimmed in lace and carried pink roses and sweet peas. Chester was attended by his brother, Earl.

Following the ceremony a wedding supper was served at the Elsner home with only immediate families present. Shortly after the newlyweds left for a short honeymoon trip to Milwaukee, Wis. The young couple are staying with the bride's parents for the present until they can find a suitable apartment or house to rent in Des Plaines. Congratulations and best wishes accompany Mr. and Mrs. Wilke on their journey through life together.

Annual Celebration At Buffalo Grove Sunday and Monday

The annual homecoming and reunion of St. Mary's church of Buffalo Grove, will be held July 4 and 5. A chicken dinner will be served July 4, from 11 a. m. till 3 p. m. Softball games and other amusements will occupy the two days with old time and modern dancing.

England, France at War

Between the years 1140 and 1815, England was at war with France for 266 years.

Few Years Ahead of Nature

Metallurgists say that for every ton of iron that the world's blast furnaces release from oxides, a quarter of a ton returns to oxides. At that rate, man, after 5,000 years of metallurgical industry has got only a few years ahead of nature.

Evergreens Win From Hartmann's

The Evergreen and Hartmann teams went an extra inning Tuesday night before coming to a decision, the former winning out 8-7.

Held scoreless for five innings, the Evergreens got to Baldwin's back-breaking slow ball pitching for three markers in the sixth, then tied up the ball game with three more in the 7th.

Baldwin found some solace in defeat by helping himself to four consecutive hits at the plate.

THE CHATTER BOX

By TOMMY KOUSMANOFF

This Is Your Column -- Help! Help!

Roselle . . . with a remarkable record of seven consecutive victories in as many starts . . . copped the first half of the Northern Du Page County League split-season softball race . . . Addison, Elk Grove and Itasca tied for second . . . A most unusual finish . . . The next three teams . . . Bensenville, Bloomingdale and Churchville . . . were tied for third . . . Wood Dale failed to enter the win column . . . leaving Roselle and Wood Dale the only two teams untangled in ties . . . but with opposite records . . . .

Apparently, the Bensenville, Edgewood baseball nine couldn't stand prosperity . . . dropping a 9 to 2 battle to Berkeley last Sunday after handing a 17-3 trimming to the Melrose Braves the previous week . . .

George Schaefer . . . Arlington Red Wing's speed ball hurler . . . added the strong Spokes A. C. nine of Chicago last Sunday to his growing list of victims . . . setting them down with six hits and two runs, while striking out thirteen.

The well-known Mayfair Merchants team of Chicago will furnish the opposition for the Wings thisK Sunday . . .

A game . . . between two all-star teams from the Northern Du Page and Arlington softball leagues . . . as suggested by this department last week . . . has been met with high approval by both associations and has already stirred up enthusiasm among the players and fans . . . We suggest that the officers of both leagues get busy with their selections and communicate with this department . . . so that a date for the all-important battle can be set . . . and also decide the site . . .

Des Plaines' 25 Qualifiers Lead Northwest Zone

The Des Plaines Lutheran track men and women led all qualifiers for the Northern Illinois District Track meet by becoming eligible twenty-five times out of the Northwest zone's qualified entry list of 41, in their annual zone track and field meet held last Sunday at Maine township high school.

The junior boys, all under sixteen years of age, from Des Plaines, made a clean sweep of all the first places in the five events, and took all but two of the runner-up positions. William Wolter, freshman minor-letterman at Maine high school, qualified for four of the five events.

Raymond Marozick, former Maine miler, qualified with his younger brother, Norman, Maine '37, for all four middle distance and distance events. They placed one-two in the 440, the 880, the mile, and are both running on the medley relay team, Norman as the quarter-miler, and Raymond as the anchor half-miler.

Several senior events, notably the discus and the high jump, had only one entry and therefore the event wasn't run, though these do qualify for the district.

The qualifiers for the District meet to be held at Chicago's Lake Shore playgrounds at Chicago avenue and the Outer Drive on July 11, at 1:30 are:

Women

50 Yard Dash: Lorraine Pohlman (Schaumburg) 1st; Margaret Mueller (Des Plaines) 2nd; time :6.2 (Breaks district mark of :6.8 held by Margaret Mueller).

300 Yard Relay: Des Plaines (Mensching, Behrens, Jordan, Mueller).

Baseball Throw: Eltora Kreft (Palatine) 1st; Dorothy Kreft (Palatine) 2nd; distance 175 ft. 9 inches.

Hop-Step-Jump: Margaret Mueller (D.P.) and Dorothy Kreft (Palatine) only two entered.

Juniors

75 Yard Dash: Richard Deithloff (D.P.) 1st; Charles Stade (D. P.) 2nd; time :8.7.

660 Yard Run: William Wolter (D.P.) only entry.

Junior Shot Put: William Wolter and Robert Stade (both Des Plaines).

High Jump: William Wolter (D.P.) 1st; William Lundgren (Norwood Park), 2nd; height 4 ft. 3 inches.

Broad Jump: William Wolter (D.P.), 1st; Wilbur Baumgart (Park Ridge) 2nd; distance 16 ft. 7 inches.

Men's Events

100 Yard Dash: W. Fuchssteiner (D.P.) 1st; Walter Schroeder (Arlington Heights) 2nd; time :10. (Breaks old district record of :10.2.

220 Yard Dash: W. Fuchssteiner (D.P.) 1st; Melvin Rohlwing (Schaumburg) 2nd; time :21.6 (Breaks old district mark of :23.8.

440 Yard Dash: Ray Marozick (D.P.) 1st; Norman Marozick (D.P.) 2nd; time :56.3.

880 Yard Run: Ray Marozick (D.P.) 1st; Norman Marozick (D.P.) 2nd; time, 2:16.

Mile Run: Ray and Norman Marozick (D. P.) only entries.

880 Yard Relay: Schaumburg (Melvin Rohlwing, Norman Freise, John Rohlwing, Norbert Rohlwing).

Mile Medley Relay: Des Plaines (W. Fuchssteiner, Ralph Niedert, Norman Marozick, Raymond Marozick).

Broad Jump: Walter Schroeder (Arlington Heights) 1st; Gilbert Baumgart (Park Ridge) 2nd; distance 20 ft. 3½ inches.

High Jump: Gilbert Baumgart (Park Ridge) only entry.

Shot Put: Harold Redeker (Arlington Heights) 1st; Raymond Hinrichs (Palatine) 2nd; distance 45 ft. 5½ inches.

Discus Throw: Raymond Hinrichs (Palatine) only entry.

Romans Built Mine Shafts

Some of the shafts and corridors in the "iron mountain" mines in Austria were made by the ancient Romans and have been in continuous use since.

Red Wings Add Two More Games To Win Streak

Thirteen strike outs for Schaefer and a home run by H. Firnbach were features of the baseball game in which the Red Wings defeated the Spokes A. C., 7 to 2, Sunday. The Chicago team were not able to muster a single run until the eighth inning when an error and a home run gave them their only two scores.

The home team totaled 11 hits while the A. C.'s ran up 6. Schaefer allowed no more than one hit in an inning. He accounted for five strike outs in a row in the first part of the game.

The Arlington ball club annexed the Roselle team to their scrap book, the following evening by a score of 14 to 10. Although the locals made only 9 hits to Roselle's 12, 14 walks by the losing pitcher sent the Red Wings scampering around the bases.

Box Score

Gaare's Studebakers Are Inn High Gear

Trailing 3 to 1 going into the 6th inning, Gaare's Studebakers suddenly shifted into high gear to push over eight runs against the Chevrolet team and break up a pitching duel between Hayes and Mazzarros. Gaare's color bearers added six more tallies in the 7th to turn the game into a rout.

Ray Hayes, persistent mound worker for the victors, until his teammates started to hammer the ball, won him another well-pitched game.

Heinnman led the Studebaker sluggers with a triple and two singles, while Huber, T. Kouzmanoff and Tossman picked two blows apiece, one of Tossman's being good for four bases.

Gaare's	010	008—	6	15 16 3
Chevrolet	001	202 1—	6	10 4

Batteries—Hayes and D. Kehe; Mazzerros and Jerousek.

FRESH DAIRY COW SALE

FRIDAY, JULY 2, 1937
Commencing at One o'clock p. m., C. S. T.
LILY LAKE, ILL.
AT FRANK W. REED FARM
40 HEAD
½ mile east of Reed's Store off Rt. 47, 7 miles west of St. Charles
9 miles east of Sycamore

Consisting of Jerseys, Guernseys, Holsteins and Shorthorns. 30 head Fresh with calves at foot and 10 real close springers. These cows are real producers, very rich in butterfat and have large bags and teats. A number of these calves are Heifer calves and will be sold separate.

The Jerseys in this offerings are very well bred, coming from heavy producing ancestors for many generations, in ages they are 2 to 6 years old. The Guernseys, Holsteins and Shorthorns are good big young cows, of very good type and heavy producers.

The entire offering has been tested for T. B. and come from Mercer County, which is accredited area and are eligible to go anywhere.

These cows are all gentle and will be sold to the halter. Ladies especially invited to attend this sale. Parties from long distance may have cows kept until next day and loaded in your truck free of charge.

If you want to raise your herd test attend this sale.

MAPLE FARMS, Owners.
SALE WILL BE HELD RAIN OR SHINE
AUCTIONEERS: Col Warren Landers, Maple Park, Ill.; E. Boultinghouse & Sons, Aledo, Ill.
CLERK: Virgil State Bank.

Object to Location Of Deer Grove Colored CCC Camp At Thornton

Following protests Friday by church and civic organizations in the southern part of Cook county against moving a colored Civilian Conservation corps unit into the Thornton forest preserve camp, Charles G. Sauers, superintendent of the county forest preserve, explained Saturday that te action was taken as the result of a governmental order.

Under the order from Washington three of fifteen CCC camps in the county are to be discontinued, including the one at Deer Grove, north of Palatine which has 140 colored members. This colored unit is being transferred to the Thornton camp. Sauers said that the government wishes to maintain its quota of colored units and that the white members at Thornton will be absorbed into other camps. There are two other colored camps at Glenview.

The other two white camps being broken up are at Palos Hills, on Willow Springs road between 95th and 107th streets, and at the eastern outskirts of Glenview. The 300 in these camps will be assigned to other units.

Oldest Inhabitant

Its age estimated at between 12,000 and 15,000 years, a 20-foot macrozamia tree on Tamborine mountain, Queensland, is believed to be the oldest living object in the world.

Demonstrate Terracing To Stop Erosion

Terracing, which is now being emphasized in the Soil Conservation Program, should be the first step in conserving and building up the soil on as much as 33 1/3 to 40% of Cook County's rolling land subject to erosion, according to Farm Adviser, O. G. Barrett.

A demonstration or school to show farmers how to build terraces to reduce their present heavy erosion losses has been scheduled for July 2 at 2:30 p. m. on the farm of Corliss Anderson, located just north of Route 58, four miles east of Elgin.

Ralph C. Hay, extension specialist in agricultural enginering, College of Agriculture, University of Illinois, will be present to assist with conducting the demonstration. Similar demonstrations and schools have been held in more than 80 Illinois counties by the College of Agriculture, University of Illinois, cooperating with county farm advisers and more than 300 interested farmers.

Terraces carefully laid out and properly built are good insurance not only against further heavy losses of soil, but also for the successful start of a lime and legume program. They minimize the danger of having expensive limestone, fertilizer and seed washed away by dashing rains. However, terracing must not be considered a substitute for other good soil conservation practices. It supplements them by providing protection throughout the year.

As so aptly stated by one of our farmers in Mt. Carroll County when objection was raised to the establishment of many short rows, to be disturbing of the soil, and the loss of area within the field where terraces were constructed, "I found I could raise more corn on half the land, but all of the rainfall than I could on all of the land and only half of the rainfall," meaning that before terracing, he lost half of the rain in wash while in the other case, although he did lose some of the hills of corn since it wasn't planted in nice straight rows, he did have enough water throughout the season to support the existing plants.

All of our farmers are urged to attend the demonstration as being conducted in Cook county with the thought that they may advantageously use the information all or in part for the good of their farm as a whole.

Crossed Wire Sets Fire To Home; Owner Returns In Time

The Arlington Heights fire department answered a call to the home of Frank Campbell on Palatine road, near State, Monday night. It is believed that crossed wires had caused a small blaze in a closet. Little damage was done as Mr. Campbell had returned in time to telephone for help.

"Seventh Heaven" At Air-Conditioned Des Plaines Theatre

James Stewart as "Chico" and Simone Simon as "Diane" are the stars of the love story classic "Seventh Heaven" at the Des Plaines Theatre Sunday, Monday and Tuesday. The second feature on this big double hit program is "Interne's Can't Take Money" starring Joel McCrea and Barbara Stanwyck.

WILHELMINA HATTENDORF

Mrs. Wilhelmina Haemker Hattendorf, a lifelong resident of Schaumburg township and who was born there March 9, 1870, died Friday, June 25, in American hospital, Chicago, at the age of 67 years, 3 months and 16 days.

Surviving are her widower, Fred, to whom she was married in 1890 in Schaumburg Lutheran church by Rev. Mueller, and nine children, Arthur of Ontarioville, Mrs. Emelia Straub of Hanover township, Louis at home, Herman W., of Hanover, Fred Jr., at home, Mrs. Hermina Wendler of Elgin, Emil of Hanover, Mrs. Martha Meyer of Elgin and Mrs. Eleanore Ackman of Hanover; two sisters and a brother, 10 grandchildren; 3 daughters-in-law; 4 sons-in-law; 3 sisters-in-law; and 5 brothers-in-law.

Funeral services were held Monday afternoon at 1:30 at her residence, 2 miles west of Schaumburg Center and at 2:00 p. m. at the Schaumburg Lutheran church, Rev. Pfotenhauer officiating. Mrs. Pfotenhauer rendered the vocal numbers with Mr. Peters at the organ. Funeral arrangements were by Dzur and Karstens and interment in Schaumburg cemetery.

CAR HITS POLE DRIVER SLIGHTLY HURT

An accident that could have had much more serious consequences than it did, occurred on Northwest Highway early last Sunday morning.

About 4 a. m. Harry Koba, a WPA worker of Chicago, who spends part of his time at his brother's place at Barrington, was going west on Northwest Highway when his car left the road and ran into a pole, folding up one side of the Pontiac coupe like an accordian. Koba got away with only a broken right forearm that was temporarily splinted by Doctor Wolfarth at the Mt. Prospect General Hospital. What is left of the car stands in a lot across from Busse Motor Sales as a silent warning against late card games and liquid refreshments.

AT THE CATLOW

Simone Simon, sensational screen star, who rose to fame in her first American picture, "Girl's Dormitory," shares starring honors with James Stewart in the Twentieth Century-Fox production of "Seventh Heaven," now at the Catlow Theatre.

Because Hugh Herbert, the film comedian, attracts too large an audience to the sets on which he works, Lou King, director of "That Man's Here Again," Hugh's current First National assignment, had to issue a "No Visitors" order, while the picture was being made. It comes to the Catlow Theatre on Saturday, July 3

Playing on the double feature bill Saturday night "That Man's Here Again," is the new Universal picture, "Girl Overboard," with Gloria Stuart and Walter Pidgeon.

Janet Gaynor and Fredric March come to the Catlow Theatre for three days on Sunday, Monday and Tuesday, in David O. Selznick's technicolor production, "A Star is Born." This glamorous story of a little country girl who came to Hollywood, faced the odds of 100.00 to one and scaled the heights of stardom, marks the first up-to-the-minute story to be filmed in technicolor.

Marking a departure in the use of technical advisers, Lal Chand Mehra, Hindu lecturer and authority on spiritualism, was signed by the Metro-Goldwyn-Mayer studios to check the authenticity of occult sequences in "The Thirteenth Chair," the mystery feature coming Wednesday to the Catlow Theatre.

It was Mehra's task to advise on all matters dealing with spiritualism and supernatural happenings. The Bayard Veiller play is placed in India and deals with the solution of two murders through the use of spiritualism at a seance.

Double featured with "The Thirteenth Chair," is "Six of a Kind," starring W. C. Fields, Mary Boland, Burns and Allen—it's the funniest picture ever made.

Bette Davis, who won last year's Academy award as the screen's greatest actress, makes her 1937 bid for renewed honors in a gripping story taken from headlines that have flashed across the front pages of America's newspapers for many months.

This picture, declared by Miss Davis to give her the most powerful role she has ever portrayed, is "Marked Woman," the First National production booked for the Catlow Theatre on Thursday and Friday.

MT. PROSPECT

Mrs. A. Schramm entertained her birthday club with luncheon and bridge Tuesday afternoon.

Mr. Bill Miles of Stonegate, known to many of the townsfolk, has left for Seattle, Washington to take an excellent position there in the insurance business.

Jack Cunningham came in from Indiana last Thursday for a visit and is staying until over the Fourth.

It was Ladies' Day at Northwest Hills last Tuesday, and a luncheon and bridge party was given. Many people from town went and an enjoyable afternoon was spent.

Joe Bernhardt and Bob Zahn, former residents of town, just can't seem to stay away from here. They came to visit some of their friends last Monday night.

Mrs. M. Jones and her young son, Donald, drove up to Grand Rapids, Michigan, to spend the week-end with Mr. Jones.

Mrs. Walsh entertained the pinochle club last Tuesday night. From what I hear, they have some pretty good players in that club.

Mrs. Ida Edwards of Chicago, visited Mrs. P. Frey last Sunday.

Well, here it is folks, by the time you read this, Miss Margaret Froemling will be no more, but will be known as Mrs. Arthur Gosch. Wednesday night was the big night for the Gosch's.

Harold Maleske is getting there fast. He preaches in Chicago next Sunday.

David Jon, infant son of Mr. and Mrs. John Koehler, was baptized at their home Sunday afternoon. Out of town guests for the occasion were: Mr. and Mrs. H. A. Stotz, Mr. and Mrs. O. Muggenburg, Mr. and Mrs. Fred Duerkop, all of Chicago; Miss Margaret Miller of New York City; Mr. George Wolfram, Des Plaines, and Rev. and Mrs. Samuel Beers.

American Legion Auxiliary Notes

Mrs. I. E. Besander entertained the American Legion Auxiliary at her home Monday evening, June 28.

The main order of business was election of officers. All officers presented by the nominating committee were unanimously elected as follows:

President—Mrs. Elmer Hauptly.
1st Vice President—Mrs. G. N. Cunningham.
2nd Vice President—Mrs. Victor Winn.
Treasurer—Mrs. Scott Crawford.
Chaplain—Mrs. Emory Wolf.
Sergeant-at-Arms—Mrs. George Price.
Color Bearer—Mrs. R. Bailey.
Historian—Mrs. D. Budlong.

The secretaries for the new year are:

Corresponding—Mrs. W. Lahtinen.
Recording—Mrs. P. H. Gilson.

Mrs. Verret reported on the Ninth district meeting.

The Cook Coucy Council will have a July 4th celebration at Soldiers Field. Tickets must be purchased in advance.

There will be a Cook County Council meeting in the LaSalle Hotel, July 2.

The annual American Legion convention will be held in Springfield, Ill., August 28 to 31.

During July and August, the Auxiliary will hold one meeting a month. These will be the second Monday of the month, July 12 and August 9.

Cards followed the business meeting, after which the hostess, Mrs. Besander, served delicious refreshments.

V. F. W. Auxiliary Notes

Twelve members of the V. F. W. Auxiliary met at the home of Mrs. Emil Greinke on Thursday, June 17, and made 650 delicious doughnuts for the boys at Elgin. They were delivered the same afternoon by Mrs. Louise Budlong, Mrs. Betty Frostenson and Mrs. Paul Holste. Three hundred and fifty magazines were also taken.

On the return trip the three ladies stopped at Palatine to visit Mrs. Mabel Genrich, who was a patient at the Palatine hospital. Mrs. Genrich has returned home now and is reported to be feeling fine.

Friday, June 18, the social meeting was held at the home of Mrs. Paul Holste. The regular business meeting will be held at the club house Friday, July 2.

ST. PAUL'S LUTHERAN CHURCH

Divine services Sunday, July 4:
English, 9:15 a. m.
German, 10:30 a. m.
Sunday school, 10:30 a. m.
Bible class Thursday evening at 8 o'clock.
Church council meeting Friday at 8 p. m.
Quarterly meeting of voters Tuesday evening, July 6 at 8.
Because of the 25th Jubilee celebration on the 11th Holy Communion, will be celebrated in the service of the 18th of July.

COMMUNITY CHURCH

Rev. Samuel G. Beers, Pastor
Sunday, July 4:
9:45 Church school.
11:00 Morning worship. Sermon: "Fifty-Six Valiant Men."

SOUTH CHURCH

Owing to the long week-end holiday and vacation period, there will be no church services Sunday, July 4. Services will be held at the usual time on Sunday, July 11.

Fireworks Display And Entertainm't

Plans Being Rushed; Get Contributions In

Plans for Mt. Prospect's Community Fourth of July celebration are practically completed and an interesting program has been arranged.

The annual "All Star" softball game between the married men and single men will be one of the chief features of the program. It is hoped to have our prize winning Drum and Bugle Corps do its stuff and other special features are being arranged.

Of course, the ever-popular water fight will be staged by the Mt. Prospect Fire Department. This is the event—next to the fireworks display—that all the youngsters look forward to with so much interest. Chief Biermann promises a water fight with plenty of action.

MODEL HOME NOW OPEN FOR INSPECTION

Attracts Many Visitors

The new Johns-Manville "Triple-Insulated" model home on South Edward street, was opened to public inspection Sunday and a huge crowd of interested people were shown through the home.

Mr. Bert Laudermilk of Town and Country Estates, who is handling the sale of homes and property, estimates that 15,000 people daily will visit Mount Prospect during the next 30 days—a total of approximately 450,000 people. As first impressions are lasting, every merchant and citizen of the Village should do everything possible to keep our town spic-and-span and make a real bid for new neighbors.

The "model home" the first of a series to be built has been sponsored by the Johns-Manville Corps and was built by Arthur T. Jenkinson of Park Ridge. Hines "Precision" lumber is used throughout the house and financing has been arranged by the Realty Mortgage Co. of Park Ridge.

GORILLAS HAVE NEW HOME

Three valuable youngsters, Su Lin, baby giant panda, and the Misses Congo and Suzette, gorillas, will have a new home of their own at the Chicago Zoological Park, Brookfield, it was announced by Director Edward H. Bean.

Work has been started on the home in the cool, wooded section at the western end of the park. The quarters to be occupied by Su Lin will be air conditioned. Soo officials believe that the air conditioning will help to compensate for the cool, rarefied air to which she had been accustomed on the Tibetan border.

The structure will have a stucco exterior and double wall arrangement. Insulation will be assured by the use of mineral wool between the walls and in the ceiling spaces.

Su Lin's retiring den, inside the enclosure, will be an 8 by 10 feet affair. This will be separated from her outside exhibition cage by a weighted canvas flap which she will brush back as she makes her way to or from the den. For her enjoyment the den and cage will be furnished with logs and rockwork.

The gorillas will have their own retiring den and exhibition cage. They will have a swinging door to operate as they make their way between the den and cage. Their compartment will not be air conditioned.

Dancer Participates In Three Day Festival

Conchita Hernandez, of Mt. Prospect, participated in the three-day festival, June 23-25, of the Chicago Musical College, Chicago, where she is a student. The festival was staged by faculty, students and alumni from cities throughout the United States and Canada to celebrate the 70th anniversary of the school's founding by Dr. Florenz Ziegfeld Sr., father of the originator of the Ziegfeld Follies.

Dr. Rudolph Ganz, noted pianist and conductor, is now president of the college.

Sues Truck Concern After Husband's Death

Siut of $10,000, the limit under the law, brought by Mrs. Jessie O. Cooney of St. Charles against the F. Landon Cartage Co. of Chicago, for the death of her husband in an automobile-truck crash on route 64, north of Wheaton, March 6, 1936, resulted in a verdict for the plaintiff, with damages placed at $7,550, by a jury in the circuit court, Judge William J. Fulton presiding, last Thursday. Atty. Lee O. Landon, representing the defendant company, immediately moved for a new trial, Judge Fulton setting July 9 as the date for the arguments.

Suit for $10,000 was started June 8, 1936. Cooney was driving east when his auto, which he was driving, struck the rear of a F. Landon Cartage Co. parked truck. Cooney sustained a fractured skull, and died almost immediately. Joe Fink of Chicago, driver of the truck, told police officials that he had run out of gasoline at the point of collision. He testified later that the lights on the truck were displayed, but that flares had not been placed on the highway to warn approaching vehicles.

Of the total amount represented by the verdict, $550 was awarded for the Cooney automobile, and $7,000 for Cooney's death.

WHEELING

Mrs. Carrie Arnold and Louise Forke gave a luncheon last Wednesday in honor of Mrs. Flora Jarchoer from Lake Forest. Guests were Mrs. R. B. Fuessle from Wilmette, Mrs. Al Hasse and Mrs. John Croft of Northbrook, Ill.; Mrs. B. Wiehle and daughter, Bobbie, Mrs. Al Paulsen from Northfield, Ill., Mrs. Joe Glatz and son, Robert from Chicago; Miss Dorothy Forke from Wheeling.

Miss Minetta Huizenga visited friends here last week.

Miss Ida Wingert of California is spending several weeks here with her sister, Mrs. E. E. Gieske.

Wheeling Camp R. N. A. will hold a home bakery sale at the Wheeling Market a week from Saturday afternoon, July 10.

Mr. and Mrs. Richard Morrison and Barbara Jean, are staying with Mrs. A. Utpadel for several weeks.

The Presbyterian Vacation Church school opens next Tuesday morning to run for a period of four weeks. All children of the community from four years of age through seventh grade in school are invited to attend. The sessions will begin at 9:30 o'clock and continue until 11:30 each morning.

Mr. and Mrs. H. G. Gemmill are spending several weeks at Lake Namonkagon, Wis.

Invite your friends to come to Wheeling July 24 and 25, for the annual Wheeling Day celebration. Grand prizes will be a Ford 1937 Touring sedan and 1937 Equafonic Console Radio. Be a booster to make the days a financial success, which will benefit the new community center building.

HIGGINS-CANFIELD

Monday, July 5, is the big day of the St. Paul Lutheran picnic. The picnic begins at 11 a. m. and will be held at Nomack's Grove on Cumberland avenue, near Lawrence. The Ladies' Aid will serve lunch. There will be refreshments of all kinds. Come and spend the day with us.

Holy Communion will be celebrated Sunday, July 11, in the German service.

EAST MAINE

The infant son of Mr. and Mrs. Frank Lueth was christened Frank Richard, by Rev. J. Toepel at St. Matthew's Lutheran church Sunday morning. Sponsors wers Emily Gaitsch and Ernest Lueth.

Louis Schoettler entertained a crowd of his little friends at his home on Ballard road June 23, in honor of his seventh birthday anniversary. The youngsters all report an enjoyable time.

Mr. and Mrs. Emil Koch were tendered a surprise on the evening of June 23, by relatives and friends who decided to help Emil and Marian celebrate their tenth wedding anniversary. The usual good time was had by all.

The outing to Gage's Lake last Thursday sponsored by the Welcome Park Unterstuetzung's Verein was attended by a large crowd. Although they picked just about the hottest day of the year thus far for their picnic, a nice lake breeze kept the crowd comfortable, so they were able to amuse themselves with the various sports and pastimes provided.

Mrs. Joe Rubey of Ballard road was pleasantly surprised last Sunday when a group of twenty friends came out from the city and surprised her for her birthday. The guests came laden with good things to eat and a delightful time resulted.

Numerous East Maine folk attended the funeral of Mrs. Lawrence English of Evanston, Monday of this week. Mrs. English, who was 51, passed away from complications arising from a heart stroke suffered nearly two weeks previous to her death. The Englishes were close friends of the Wilkes for many years, but had also made many other friends in this vicinity.

SEEING is BELIEVING

When you stop your car on our Brake Tester and actually *see* how your brakes behave, you know without anyone telling you, whether they need attention or not.

Our Brake Tester is like four horizontal scales—each one telling just how much braking energy is applied to its wheel. When we adjust, reline or overhaul your brakes, they are tested and proven on this same Tester, so you know exactly how they will act on the road.

Car owners who have used our brake service are enthusiastic in saying they can *feel* the difference. It's a mighty sweet sensation, too, to know you can depend on your brakes—any time, under any conditions. Why not bring your brake work to us, and experience it?

The public is cordially invited to attend our church services and use our reading room.

CHRISTIAN SCIENCE CHURCHES

"Life" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 18.

The Golden Text was, "Now that the dead are raised, even Moses shewed at the bush, when he called the Lord the God of Abraham, and the God of Isaac, and the God of Jacob. For he is not a God of the dead, but of the living: for all live unto him" (Luke 20: 37, 38).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Verily, verily, I say unto you, The hour is coming, and now is, when the dead shall hear the voice of the Son of God: and they that hear shall live. For as the Father hath life in himself; so hath he given to the Son to have life in himself" (John 5: 25-26).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality" (p. 487).

ST. PETER EVANGELICAL LUTHERAN CHURCH

Pastors

C. M. Noack, 115 St. James, tel. 408.

H. C. Fricke, 304 Douglas Ave., tel. 278.

When ill or in trouble, call [illegible] our pastors.

The Mohawk Trail

The original western terminus of the Mohawk trail was North Adams and the eastern terminus was Greenfield, Mass., but the road all the way from Albany to Boston later became known as the Mohawk trail. Some people even call the road from Albany to Buffalo part of the trail, as a considerable part of the route follows the Mohawk river.
